Re: *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*,
No. 1:05-MD-1720 (MKB)(JAM)

Your Honors:

Rule 23(b)(3) Class Counsel (“Class Counsel”) write to provide a brief follow-up to the Proof of Service (ECF 9011) filed yesterday regarding efforts to serve the person or persons responsible for the website settlement2023.org with a copy of the Report and Recommendation issued November 28, 2023 (ECF 9009).

This morning Class Counsel received an email from the compliance department at Hostinger.com, the site that had previously hosted the settlement2023.org website, that stated the following: “We wish to inform you that [y]our email was undelivered. It seems that the customer’s email no longer exists. Unfortunately, we do not have any other way to contact them.” Class Counsel wrote back and asked whether the company would be willing to provide the name of the person or entity that had been associated with the website. As of 3:30 p.m. PST, no response has been received.

Respectfully submitted,
